

Disclaimer

Please consult your Primary Healthcare Provider prior to considering any wellness program.

Any services or information received is not meant to replace or disregard that of your Primary Healthcare Provider. I am a Holistic Health Consultant not a licensed medical physician and therefore do not prevent, diagnose, or claim to cure physical and/ or mental diseases, disorders, or injuries. I am not qualified to nor do I intend to advise against the use of traditional medicine. Rather, I hope to educate clients about the abilities they have to affect their quality of life when the mind/body/spirit are in balance. By signing it acknowledges that you have read and understand this disclaimer.
